Compare Lily bulb prices by the bud count, not by the case. Our Croft are priced low on the basis of blooms per bulb.

For those who cannot maintain an even 60 to 65 degrees (night temp.) we recommend precooled bulbs for Easter 1960. Precooling charged at cost. Orders received after August 1st cannot be precooled.

Croft Lilies are easy to grow by observing a few simple rules. Cultural directions sent with order or on request.
